HELD UP BY STRIKING BANDS.

Parade Coutdn't Start Till Union Musicians Were Satisfied.

A dozen bands which were to play in stronger nerves than those of a talented.

because the West Shore Band of Hoboken didn't belong to the union, and the start of the procession was delayed for an hour until the trouble was settled by the hanishment of the band.

The non-union musicians were ready to toot at the head of the Germania Schuetzen Corps when the inharmonious note was struck by the union musicians, and members of the parade committee were told that there would be a tuneless parade unless the non-union band was restored to health, thanks to the kindness of the fairy godmother who has undertaken to see that she is restored to her health.

parade unless the non-union band was fired.

Chris Heterling, leader of the West of her name. She comes from Texas. Shore Band, was hunted up in the ranks of the Hoboken Schuetzen Corps, to which he belongs and with which he was marching, and he said that as his band from whom she was separated after a vaccounter of wastly contract to formula.

The Hammerstein roof garden, atop the Victoria Theatre, was opened accordunion musicians dropped out.

"They made us get out," said Heterling features have been added to the "farm," the presence of which almost caused Mile. In the presence of which almost caused Mile. Polaire, the "ugliest woman in Paris," to break her contract and refuse to appear on the roof next week.

> a circus of highly trained and "intelligent" fleas and also have the opportu-nity to throw a papier mache ring around the neck of one of the ducks floating around the pend and take it home with you if ou succeed.
> All this is incidental to an entertain-

> ing vaudeville bill headed by Bedini and Arthur and company in a burlesque of the court room scene from "Madame X." Bedini is the counsel for Madame X's son and Arthur is Madame X. The latter goes wild with joy when the jury pronounces her guilty, but weeps and swoons in dismay when the judge reverses the verdict and announces that the prisoner is discharged.
>
> Eight geisha girls billed as "genuine Japanese show girls" made their femilies.

The music is not especially striking but with one or two exceptions it is pleasing, while the dancing and the specialties are considerably above the average.

James C. Morton and Frank Moore are the members of the cast who are featured. Their work was clean cut and clever, and their near Scarbosough, because the lion's den at Bostock's arena in their near stream of the cast who are featured. Their work was clean cut and clever, and their near Scarbosough, because the lion's den at Bostock's arena in their near stream of the cast who are featured. Their work was clean cut and clever, and the lion's den at Bostock's arena in the lion' the members of the cast who are featured. Their work was clean cut and clever, and the audience worked them almost to the limit of their endurance. Miss Marie Beaugarde and Miss May Florine Linden were the principal women in the first part, but their plump and somewhat perspiring efforts were put in the background in the second part by the work of Miss Florence May, who sang and danced so charmingly and was so very, very pleasing to look at that one almost expected to see rival managers climbing over the footlights to steal her.

The New York Theatre is continuing the department in Archville, a hamlet near Scarborough, because their new headquarters was formally placed in their keeping this morning. The house, which is of concrete and two stories high, was built by Frank A. Vanderlip president of the National City Bank, at a cost of \$2.500 and given to the firemen. It was expected that he would be on hand to make the formal presentation, but he was unable to do so on account of illness. Mrs. Vanderlip was present and she made a brief address. An exhibition by the firemen followed and the festivities ended to-night with a dance. The house stands on a lot bought for the firemen by Mrs. William M. Kingslind, a former resident of Scarborough.

TO BUILD UP MME, SAMAROFF HIPPODROMES FOR ALL CITIES. AMERICAN'S ROOF CROWDED. Parks.

PITTSBURG, May 30. - There was a meeting here to-day of several of those inter-Talented Piantst, Broken in Nerves, After by which it is planned to use baseball setting and electric stars that twinkle a Slow Recovery From an Appendicitis grounds throughout the country for overhead, no matter what the weather ectacular performances at night. Garry Herrmann, president of the Cincinnati and Max C. Anderson, formerly of the least and plenty of people wandered out New York Hippodrome, were among those present or represented at the con-

ran five weeks and sold 5,000 admissions night and the St. Louis show is to open covered after a long and painful illness next week. Plans are in the making for the Boston show.

A company was organized about a bed by her physicians, who were uncer-burg as president. There is to be a holding company which has not yet been formed. The capital to be involved in the enterprise is said to be about \$10,can help her back to health, because she is accompanied to Europe by the wealthy New York woman who has been devoting to New York the latter part of the present to New York the latter part of the present week in connection with the scheme and from New York will sail to Europe to get Tacoma Hens Unable to Put Tails on Their attractions. New York is to be one of the cities in the combination, according to Mr. Ziegler.

Eight thousand persons attended the opening performance in Cineinnati to-

opening performance night. The plan is the outcome of the effort The plan is the outcome of the effort of the men financially inon the part of the men financially in-terested in baseball to find a means of terested in baseball to find a means of using the expensive plants at night. Night baseball was tried last season and failed. As worked out in Pittsburg the hippodrome performance is produced on two stages 40 feet square and a 50 foot ring. The stages are set up in sections so they can be taken down in the day-time or while the team is at home. The time or while the team is at home time or while the team is at home. The idea is to put on afternoon performances in some of the cities while the team is away. It is estimated that the plan when in full operation will employ not less than 100,000 theatrical people.

PLENTY DOING AT CONEY. First Good Day of the Season Brings HORLIC The 350,000 persons who visited Coney

Island yesterday said with one accord WALTED RAIL last night to the various press agents gathered at the Culver terminal to shake hands and say good-by to them that they'd had a splendid time. The press agents told them that they were the record bunch for numbers and velocity so far this inconstant season.

Part of this record crowd saw two folks bitten by alligators in Alligator Joe's ing to schedule last night. Several new show in Dreamland yesterday. Jim Bagley was toting a four foot 'gator out of a tank when the 'gator turned turtle and bit his shoulder and slapped him in the face with his tail. Alligator Joe's wife, Mrs. Warren Frazee, was fondling another One may see cows milked by electricity. four foot 'gator when the beast impolitely bit J. W. Plunkitt, the lecturer, who was busy explaining him to the onlookers. Mr. Plunkitt nearly lost two fingers.

A large section of the crowd at once went over to Luna Park to demand of the press agent there what he had to compare with this. The Luna Park man replied that he had nothing comparable to that, that he had nothing comparable to that, he was glad to say, adding that Luna Park was a perfectly civilized place and not a section of a blooming African jungle.

The Island had one fire during the day A taxicab of the Green Taxicab Company, 151 Clymer street, Brooklyn, burnt up at

The WILD

The "Chicago Journal" in a column-long review says:

"'THE WILD OLIVE,' a second novel by the anonymous author of The Inner Shrine, is so much more interesting than the earlier book that this reviewer is now inclined to ascribe to the unknown author those qualities that only the most ardent partisans of that writer insisted on as characteristic of the first novel. 'THE WILD OLIVE' has a broader basis of plot, a finer conception of character and a higher idealism than was apparent in 'The Inner Shrine.'"

THE WILD OLIVE is a story in a new setting, a story that seizes the reader from the first chapter—a story of great vigor and delightful charm. The scene opens in the Adirondack wilderness, with a fugitive from justice, young and a gentleman, running through the woods at night. Looking through a cottage window, he recognizes the judge who condemned him-innocent. A girl's form outside beckons him to follow. The story rushes on, carrying the youth into rehabilitated manhood and the girl to the height of emotional sacrifice and final
